At the Fall 2018 luncheon, it was announced that an increase in costs would require the first Club luncheon price increase in 5 years. After surveying members and regular attendees, the Club has initiated an annual membership fee of \$10. People purchasing a membership after Jan. 1, 2019 will also pay a one-time “initiation fee” of \$20. The 147 existing, “grandfathered” members will not be charged the one-time fee, however, in order to qualify for the reduced price for luncheons, members must have paid the \$10 current year annual membership fee. Sawmill will be providing the same great buffet service. (Members attending both Club luncheons in the year, can save \$4 over what non-members will pay to attend the two luncheons.)
